Description

The property is a detached single storey residence quietly situated at the end of a private lane, in a highly sought after rural location to the north of the popular village of Shrewton. Believed to be some 250 years old and originally built as two cottages, the property was then converted to stables and at one time housed the famous racehorse Sceptre (1899-1926). Constructed of a variety of walls including cob and brick under a tiled roof, the elevations are white washed with metal, wood and UPVC windows. Internally the ceilings are vaulted with black painted timbers and oil fired central heating has been installed. The garden is of good size and private, there is ample parking, garage and workshop. There is a further area of land on the other side of the lane. Sceptre Lodge is now perfect for modernisation and alteration and vacant possession is offered.

Points of note

Sceptre (1899–1926) was a British-bred and British-trained Thoroughbred racemare whose career ran from 1901 to 1904. Sceptre was bred by Hugh Grosvenor, 1st Duke of Westminster at his Eaton Stud in Cheshire. Her sire, Persimmon, had won The Derby and St. Leger in 1896 and the Eclipse Stakes and Ascot Gold Cup in 1897. Sceptre's dam, Ornament, was sired by the Duke of Westminster's Bend Or and was herself a full sister to Triple Crown winner Ormonde. In 1902, she became the only racehorse to win four British Classic Races outright.
